wish to be on this e-mail list. It is always one of my highest goals to be as excellent as I can possibly be in my communication with everyone that I know and everyone that I meet. It was obvious to me during my phone conversation that I had with Mr. Ochoa, "Oscar Ochoa" <OscarOchoa@dpss.lacounty.gov> on Monday, April 30, 2018 [1] that I had failed to accomplish that objective with Mr. Ochoa. However, by the end of our conversation we were able to reach some agreements to potentially help us both to get closer to that excellent communication.

So, I am writing this open letter to invite any one that is currently on it to basically be removed from this list if they wish to have that occur.
