I had a phone conversation today with a female employee of DPSS named Para. I did not get the spelling of her name.

She allowed me to record our phone conversation and thereby I am attaching that recorded conversation file. I would very much like you to listen to that phone conversation since it is only 9 minutes and 44 seconds long. In my opinion it went very badly.

Bottom line she told me that JUDGE MEIGHAN has ruled in the case. I made a special trip to my post office box and still to this day I have not received anything about the ruling that JUDGE MEIGHAN has made.

Why is that?

Please, please, please answer that question for me at your earliest possible convenience.

Our hearing was on May 23, 2016.

The name of the recorded conversation file I am attaching is:

Thank you for your continuing efforts on my behalf. I do appreciate it.

I look forward to your phone message on Monday, May 23, 2016.

With All Sincerity,
Robert Colaco
