Subject:
Responding to your e-mail of today.

Dear "Valerie Lagle" <ValerieLagle@dpss.lacounty.gov>

Thank you so much for all the effort, time, and energy during our hearing before JUDGE CRISOLOGO. Thank you for your commitments that you made during that hearing and how you have followed through on one or more of those commitments in your e-mail dated Mon, November 21, 2016 7:51 pm (ET).

I will use this very same document to forward to you the read receipts of those that sent those back to me. I will also use this very same document to do likewise of the email that I sent at the beginning of my hearing on May 23, 2016. I would suggest that you may want to read that document along with reviewing the evidentiary documents that were contained within it. I make that suggestion because I have already decided that each and every issue that has not been dealt with by any and all judges would potentially end up in me bringing a one billion dollar class action lawsuit against the Los Angeles County Department of Public Social Services also known as AKA [LA DPSS].

I am cautiously optimistic about your affect in this process. I look forward to our continued communication with each other as we prepare for our postponed hearing.

With All Sincerity,
Robert Colaco
Volunteer National Chairman, Founder

Subject: Automated Response Re: Read: L.A. DPSS is either setting me up or is causing up to 3.5

This Automated Response Email was written on December 26, 2014 at 12:08 (Pacific Military Time, PMT).

Dear Friend:

This is an Automated Response (AR) to the email you just sent to Citizens For A Better America (R) (CFABA.ORG).

Thank you for taking the time to write to me. I want you to know that I save the e-mail messages sent by people, unless they are sending me files that can possibly do damage to our computer.

I look at all the e-mails that we receive in response to one of our commentaries or news releases and I want you to know that your concerns and opinions were noted.

Before we issue any Commentary or News Release, we research and think through our position completely. We are always open to what someone may think about what we said. To see our commentaries or news releases please click on the following link to do so: <http://www.cfaba.org/cf04000.htm>

Because of concerns over viruses, as a matter of the normal course of business we do not open attached files. If you have sent an attached file and you still would like us to see the materials contained within it, please send the contents as a regular text type e-mail message. For instructions on how to do this, scroll down to the bottom of this message*

Because of the volume of e-mails that we receive, we are unable to respond individually to your email unless warranted by that email.

Some who are opposed to positions we have taken, like the "Protection of Marriage" amendments, have been writing to let us know that at the very least they disagree with us.

We would like those that are making those kinds of comments to know that we consider their correspondence with us to be an "Open Letter".

That very simply means that we may choose to publish those comments on one or more of our websites. This policy is not limited to the "Protection of Marriage" issue. It is for any and all positions we have taken.

I would very much like you to read a "Bio" of what drives my passions to have America be Better. You can do so by clicking on the following link: <http://www.cfaba.org/cf01027.htm>

I would also very much like you to read a Commentary to get a view of how I believe our government ought to work. You can do so by clicking on the following link: <http://www.cfaba.org/obama/ob03001.htm>

To obtain more information about our Email Policy, please read sections 9 of our Email Policy by clicking on the following link: <http://www.cfaba.org/cf01022.htm#9>

I would like to invite you to help us with a contribution of any amount. Please click on the following link to do so now: <http://www.cfaba.org/donate>

Citizens For A Better America (R) with the acronym and main website of CFABA.ORG was founded on October 15, 1992. It is a national, grassroots,

independent, nonconnected political committee whose primary focus is to help elect morality and values based candidates.

Before we endorse any candidate for political office we await their response to our "CFABA.ORG Candidate Questionnaire"(TM) which we send to them via e-mail.

We endorse candidates who are pro America first, pro traditional family, pro life, pro 2nd amendment, and pro USA sovereignty, from the very lowest (e.g. party committees) to the very highest (e.g. presidency) political positions all over the United States of America.

To view a list of people we endorse, visit our "Good Guys List"(TM), which you can see by clicking on the following link:
<<http://www.GoodGuysList.org/>>

I strongly disagree with any government official including but not limited to U.S. Minority Leader Nancy Pelosi, U.S. Senate Leader Harry Reid, or U.S. President Barack Hussein Obama (the name our President used when he was inaugurated as our President), putting a damper on Free Speech by intimidation, mockery or other methods.

As a legal immigrant from Baghdad, Iraq, at the age of 12 and a naturalized U.S. Citizen since 1976 as a 19 year old, I completely appreciate the fact that all Americans enjoy, by our Constitution, the ability to disagree with any of our fellow Americans and our own government.

I would like to personally invite you to become a member of Citizens For A Better America(R) (CFABA.ORG) with a minimum commitment of seventeen cents a day, five dollars a month, sixty dollars a year.

Members receive "The Good News Report"(TM), which is an encouraging report of the victories that Citizens For A Better America(R) (CFABA.ORG) is having all over America with candidates we endorse, as well as issues we write about in our "HAVE YOU BEEN LIED TO?"(TM) flyers. You can view previous articles by clicking on the following link:
<<http://www.HaveYouBeenLiedTo.org/>>. These are the articles that we distribute through our "Commentary and News Release List"(TM) via e-mail.

If you are not already a part of our email newsletter "Commentary and News Release List"(TM), in most cases you will be automatically added to that List.

If you would like more information about becoming a member of Citizens For A Better America(R) (CFABA.ORG) please click on the following link
<<http://www.cfaba.org/cf02001.htm>>

Again, thank you for taking the time to write me.

If you have asked us to remove you from our "Commentary and News Release List"(TM), we can only do so by you clicking on the link within the email you were sent, and your email address will be removed and you and you will automatically receive a confirmation email that we have done so.

*To send an attached file as a regular text type email all you have to do is go to Microsoft Word, WordPerfect, or install the free software "Open Office" which you can download by clicking on the link:

<<http://www.openoffice.org/>>. From there, pull down Edit at the top of your screen and click on Select All. Then, the Copy button will become activated. After you copy it you can paste it directly into the message section of your e-mail and send that to us.

With All Sincerity,
Robert Colaco
