Dear La France Toliver

Attached please find the document:

The completed:

"MEDI-CAL REDETERMINATION FOR August 09, 2017
THIS REDETERMINATION FORM IS DUE BACK TO US BY 08/10/2017"

Introduction and background information:

Since I am sending this email to a great many people that are unaware of the decisions made by L.a. DPSS management and myself back in the early portion of the year 2013 with regard to the ongoing problems with the Lancaster office losing documents even those that we had receipts from the Lancaster office stating what documents were turned into them and then were "lost". You and I have spoken about these issues in unbelievably great detail and even my joke that the Lancaster office uses documents that were delivered to them as "kindling" to keep themselves warm. We collectively decided that I would upload our documents to one of the domains that CITIZENS

FOR A BETTER AMERICA(R) (CFABA.ORG) had and those that are authorized on behalf of L.a. DPSS in the Lancaster California office would download those documents. The most recent person that is designated to do that downloading is "Baires, Blanca" <BlancaBaires@dpss.lacounty.gov>. Since this system that I just spoke about has had overwhelming problems with L.a. DPSS I, Robert Colaco made a decision that I would send documents that did not have identity theft issues that could occur such as the entire Social Security number being placed on documents to all individuals at L.a. DPSS so that the Lancaster office would not be able to claim with any integrity that they did not receive the documents that I was to have sent and or filed with them. Also, the electronic signatures are an agreement that was made with Derek Robinson and La France Toliver in the early portion of the year 2013.

We were having un-known problems sending from our server so we decided to send it from another email account.

Thank you for processing this attached file promptly and efficiently.

With All Sincerity,
Robert Colaco
