An Open Letter To everyone on this e-mail list. Possible removal from this list.

Point One. Introduction:

It is my strongest hope, desire, and goal to not sound rude, unkind, or to show any disrespect as I make my following remarks.

It is also my strongest hope, desire, and goal to communicate with you as truthfully and clearly as I possibly can so that you would understand what I am trying to say to you and thereby no misunderstandings between us develops any more than it already has.

^^^^^

Point Two. The titling of this letter:

The title of "An Open Letter To everyone on this e-mail list. Possible removal from this list."

In a phone conversation that I had with Mr. Ochoa, "Oscar Ochoa" < OscarOchoa@dpss.lacounty.gov > on Monday, April 30, 2018 [1] I realized that some of the individuals that are on this e-mail list may no longer

wish to be on this e-mail list. It is always one of my highest goals to be as excellent as I can possibly be in my communication with everyone that I know and everyone that I meet. It was obvious to me during my phone conversation that I had with Mr. Ochoa, "Oscar Ochoa" <a href="ScarOchoa@dpss.lacounty.gov">On Monday</a>, April 30, 2018 [1] that I had failed to accomplish that objective with Mr. Ochoa. However, by the end of our conversation we were able to reach some agreements to potentially help us both to get closer to that excellent communication.

So, I am writing this open letter to invite any one that is currently on it to basically be removed from this list if they wish to have that occur.

^^^^^

Point Three.

Background information:

I have taken a policy and a procedure about what I have done by sending these emails along with attached files because the other methods of delivering documents to LA DPSS have not worked. When I wrote my commentary:

"THE LIE\_Some sizable portion of LA DPSS employees care about their integrity [as of December 18, 2017]. WRONG"

I was then extremely frustrated with LA DPSS. What has occurred since then has convince me that there are Grand Canyon size problems with LA DPSS.

What has occurred since then has also convinced me that the very state agency that is to regulate LA DPSS may be just as bad if not worse. It is the reason why I wrote: "An Open Letter To Manuel A. Romero, Chief Administrative Law Judge and Presiding Judge Dora Luna".

It would appear by what has occurred that we need to finalize the commentary entitled:

"THE LIE Some sizable portion of LA DPSS employees care about their integrity. WRONG"  $\,$ 

It is with incredible sadness that by all the evidence that is available to me that I need to do these things.

So, if you are on this e-mail list and wish to be removed so that you no longer get communication from yours truly feel free to write "RemoveMe" and I will remove you from this list and will no longer send you e-mail communication.

^^^^^

### Point Four:

Having said all that I have in that text above it is Your complete and total responsibility for the fact that you will no longer receive e-mail communication from yours truly.

^^^^^

Point Five: Conclusion:

Thank you for taking the time to read this Open Letter.

With All Sincerity, Robert Colaco Volunteer National Chairman, Founder CITIZENS FOR A BETTER AMERICA(R) (CFABA.ORG)
