Dear Michael Guerra: ^^^^^ 01. INTRODUCTION: 01.00. Thank you so very much in taking the time to speak with me this evening as well as last Thursday October 11, 2018. I really do appreciate it.

- 01.01. It is my strongest hope, desire, and goal to not sound or be rude, unkind, or to show any disrespect as I make my following remarks.
- 01.02. It is also my strongest hope, desire, and goal to communicate with you as truthfully and clearly as I possibly can so that you would understand what I am trying to say to you and thereby no misunderstandings between us develops any more than it already has.
- 01.03. To that end if you believe there is a misunderstanding or something does not make sense to you, please do not hesitate to call me.
- 01.04. It is however my complete and total expectation that you would have read my entire letter, not just skimmed it, or done something like just looking at the first and last paragraph.

- 02. As per our phone conversation tonight from 1759 hours to 1839 hours:
- 02.01. I am attaching to this e-mail the "utility bill" requested by the Lancaster California IHSS office [01], yes that is correct I have posted for the entire world to see how the ongoing attempts to retaliate against me continues on seemingly more and more of your government entity. Yes, that is correct more and more of your government entity since you told me that you had spoken since to the IHSS compliance office or some term like that.

The utility bill I am sending to you as an attached file that I would have to redact pertinent information that you would need for the entire purpose of why I would be sending it to you in the first place.

- 02.02. As I stated to you numerous times during both tonight's conversation as well as last Thursday October 11, 2018 that the document [01], has the overwhelming appearance of serious impropriety as well as retaliation.
- 02.03. In my mind it would not have appeared to look as much like retaliation if they had first sent timesheets to my wife and then sent the document [01].
- 02.04. In an effort to encourage your government entity to reduce the retaliation factor from 1,000,000,000% down to 99.999% I would strongly urge that your IHSS compliance office comply by actually sending timesheets to my wife immediately (you know tomorrow).
