An Open Letter To Michael Guerra, about case number 181200343-(IHSS) and beyond.

Dear Michael Guerra:
^^

- 01. INTRODUCTION:
 - 01.00. Thank you so very much in taking the time to speak with me today Tuesday, October 30, 2018. I really do appreciate it.
 - 01.01. It is my strongest hope, desire, and goal to not sound or be rude, unkind, or to show any disrespect as I make my following remarks.
 - 01.02. It is also my strongest hope, desire, and goal to communicate with you as truthfully and clearly as I possibly can so that you would understand what I am trying to say to you and thereby no misunderstandings between us develops any more than it already has.
 - 01.03. To that end if you believe there is a misunderstanding or something does not make sense to you, please do not hesitate to call me.
 - 01.04. It is however my complete and total expectation that you would have read my entire letter, not just skimmed it, or done something like just looking at the first and last paragraph.

^^

02. As per our phone conversation today from 1255 hours to 1401 hours:

02.01. I am attaching to this e-mail the "SOC 840" document with my current home address requested by the policy section. I am doing so in severe protest but as I said to you I am attempting to recruit those lawyers and law firms to bring the minimum of that \$1,000,000,000 class action lawsuit against your government entity. I have posted then on filled out document at [01]. Yes, that is correct I have posted for the entire world to see how the ongoing attempts to retaliate against me continues on seemingly more and more of your government entity. Yes, that is correct more and more of your government entity since you told me that you had spoken since to the IHSS compliance office or some term like that.

The "SOC 840" document I am sending to you as an attached file is you and I spoke about.

02.02. As I stated to you numerous times during my conversations with you Thursday, October 11, 18, and today 30th 2018 that the document [01], has the overwhelming appearance of serious impropriety as well as retaliation.

02.03. In my mind it would not have appeared to look as much like retaliation if they had first sent timesheets to my wife and then sent the document [01].

02.04. In an effort to encourage your government entity to reduce the retaliation factor from 1,000,000,000% down to 99.999% I would strongly urge that your IHSS compliance office comply by actually sending timesheets to my wife immediately (you know today) and as I said to you should have been done on the day that Judge PALOMARES issued his decision on September 25, 2018 and that decision was mailed on September 26, 2018 [02].

^^

03. CONCLUSION:

There is more that I would like to say but I'm just out of time. Thank you for your help in this matter and for reading this entire Open Letter.

With All Sincerity,
Robert Colaco
Volunteer National Chairman, Founder
