Dear Michael Guerra, Tracy Sims:

^^^^^

01. INTRODUCTION:

01.01. It is my strongest hope, desire, and goal to not sound rude, unkind, or to show any disrespect as I make my following remarks.

01.02. It is also my strongest hope, desire, and goal to communicate with you as truthfully and clearly as I possibly can so that you would understand what I am trying to say to you and thereby no misunderstandings between us develops any more than it already has.

01.03. To that end if you believe there is a misunderstanding or something does not make sense to you, please do not hesitate to call me.

01.04. It is however my complete and total expectation that you would have read my entire letter, not just skimmed it, or done something like just looking at the first and last paragraph.

01.05. Since at the very least we have had a misunderstanding I do want you to know that if you do call me I will be recording the phone conversation, available to you upon your request something that I believe that I have done with you and the employees under your supervision.

01.06. As I am sure you are well aware that I am not a lawyer and do not have the training to be able to speak to the issues that I am discussing in this Open Letter and would obviously not be presenting either the arguments or the ways I am presenting them to you here.

01.07. You may or may not be aware that I am having to use Speech Recognition Software to write this Open Letter. This software is not as accurate as I would like it to be and as a result if you find something that doesn't quite make sense please accept my apology that I have missed catching that error.

01.08. As I stated to Judge PALOMARES: "It is my hope that I communicated with enough passion to clearly communicate to you as well as to the county representatives that I thought that what has occurred to me would not occur to any one else ever again. In Los Angeles County that represents about 3.5 million Los Angeles County residents. In the State of California with about the same percentages working that would represent about 35% of California's population. You, Judge PALOMARES told me in our second hearing that you and Administrative Law Judge (ALJ) Andrew Carroll were at the same level. It is certainly my overwhelming preference that you share my communication, passion, and frustration as to what was done

to me at the hands of the employees of Los Angeles County Department of Public Social Services (LACO DPSS) as well as the leadership of your own government entity."

01.09. As I stated to Judge PALOMARES: "What I am really attempting to speak to is that I believe that there as a strong possibility that WE/US (referred to earlier) are going to be right back here in the not too distant future. This Open Letter is an attempt on my part to avoid that horrible future.

^^^^^

02. PREVIOUS COMMUNICATION:

02.01. During and after the state appeals hearings that were conducted on July 2, 2018 I received the communication that I should have informed (LACO DPSS) of my inability to "attend" that hearing.

02.02. This is a notice that I am doing just that for the meeting schedule by Tracy Sims on Wednesday, November 28, 2018 between 4:00 and 5:00 PM. between 4:00 and 5:00 PM.

02.03. On Thursday, November 22, 2018 yes Thanksgiving Day I had a 101.7 degree fever.

02.04. I believe it is unwise for myself and for Tracy Sims for us to have a meeting with the possible implications to either of our health.

^^^^^

03. CONCLUSION:

There is more that I would like to say but I do not have the body resources to do so. I'd like any one at (LACO DPSS) to confirm that Tracy Sims understands that I will not meet with her on Wednesday, November 28, 2018 between 4:00 and 5:00 PM because of medical reasons.

With All Sincerity,  
Robert Colaco
