An (OL) to Michael Guerra and (LACO BOS). I continue to be frustrated with (LACO BOS) on the one hand telling us to do things to "keep us safe" and on the other hand putting us in danger of death.

Dear Michael Guerra and (LACO BOS):

01. INTRODUCTION:

01.01. It is my strongest hope, desire, and goal to not sound or be rude, unkind, or to show any disrespect as I make my following remarks.

01.02. It is also my strongest hope, desire, and goal to communicate with you as truthfully and clearly as I possibly can so that you would understand what I am trying to say to you and thereby no misunderstandings between us develops any more than it already has.

01.03. To that end if you believe there is a misunderstanding or something does not make sense to you, please do not hesitate to call me.

01.04. It is however my complete and total expectation that you would have read my entire letter, not just skimmed it, or done something like just looking at the first and last paragraph.

02. Direct Deposit Issue:

02.01. The entire process of setting up "direct deposit" into our bank account to say that it is flawed and putting Los Angeles County (LACO DPSS) "Customers" in grave danger of death. What I mean by that is that they are having to put themselves (LACO DPSS) "Customers" in danger to be able to access their General Relief (GR) funds by having to go to get those funds from somewhere including but not limited to banks, stores, etc. rather than just having those funds transferred into their bank account.

02.02. I find it distressing that I believe convicted criminals are being let out of confinement and yet the Los Angeles County Board of Supervisors (LACO BOS):

- Hilda L. Solis, First District
- Mark Ridley-Thomas, Second District
- Sheila Kuehl, Third District
- Janice Hahn, Fourth District
- Kathryn Barger, Fifth District

appear by all the evidence that is available to me that (LACO DPSS) "Customers" are being put at further risk to access their (GR) funds without (LACO BOS) having a concern about their lives and health.

02.03. In the: "About Board of Supervisors" it states the following on April 29, 2020 (20200429) [099]:

"The five-member Board of Supervisors is the governing body of the County of Los Angeles. Created by the state Legislature in 1852, the Board has executive, legislative and quasi-judicial roles. Members are elected by voters in their respective districts and are limited to three four-year terms."

02.04. I attempted to upload to the Your Benefits Now (YBN) website the "Direct-Deposit-Authorization-Sign-Up-Form". However, after more than one attempt I continued to receive the following message:
"File you are trying to upload is corrupt and cannot be uploaded, please try uploading a different file"

02.05. I have no idea what is to be done with (LACO DPSS) Form "PA 1918" especially in the section entitled:
"C. CLIENT AUTHORIZATION FOR RELEASE OF INFORMATION" and then the statement that says: "I authorize DPSS to release the above information to:"

02.05.01. Again I have no idea what is to be done with "02.03." Apparently you and I will need another phone call to bring resolution to these issues. You can call me tomorrow, Thursday (your last work day in the week) April 30, 2020 from (3:00 PM) to (3:30 PM). Please call me at (818)574-8911!

03. Our Website(s) Blocked:

03.01. I have received the following message from:

Abraham Gutierrez

Message Body
Mr. Colaco,

I haven't been able to open any of the links in the body of your email. The county's firewall will not allow me to access the website. If you could send your letter attached as a PDF it would be easier for me to review.

Thank you,
Abraham

03.02. The ongoing retaliation by (LACO DPSS) [05] see below. Please fix this. It is blocking my ability to receive services.

04. CONCLUSION:

Would you OR someone kindly let me know that you have received this and if there is any action has been taken to deal with the issues raised in this document so that when I am waiting for your phone call that it will actually come about. Thank you for your help in this matter and for reading this entire Open Letter.

With All Sincerity,
Robert Colaco [RC]
