Dear La France Toliver:  
-----

01. INTRODUCTION (This text has not changed from previous Open Letter(s):

01.01. It is my strongest hope, desire, and goal to not sound or be rude, unkind, or to show any disrespect as I make my following remarks.

01.02. It is also my strongest hope, desire, and goal to communicate with you as truthfully and clearly as I possibly can so that you would understand what I am trying to say to you and thereby no misunderstandings between us develops any more than it already has.

01.03. To that end if you believe there is a misunderstanding or something does not make sense to you, please do not hesitate to call me.

01.04. It is however my complete and total expectation that you would have read my entire letter, not just skimmed it, or done something like just looking at the first and last paragraph.

-----  
02. This document is a follow-up to the phone message that I left you a few minutes ago.

02.01. As I communicated in that phone message that I finished my SAR7 online last weekend and there is nothing in the Electronic Notices section of the DPSS Your Benefits Now website indicating that any one has dealt with my SAR7 and turning on that we would be receiving our CALFRESH benefits for the month of December 2021.

02.02. As you are well aware since you have had to fix many of these problems I am attempting to do everything that I can to not have there be any more problems than there have been in our almost nine year business relationship.

02.03. Because of my disability issues, yes, even this short document was created by using " Speech Recognition Software" which is only about 25% accurate.

02.04. Thank you again for your excellent service over our almost nine year business relationship. And I thank you in advance for fixing this problem.

With All Sincerity,  
Robert Colaco [RC]
